I beg to report that the Council in its resolution No.210/29-1-48 has agreed to give weightage to all teachers in the secondary schools from 1-1-47 as per instructions contained in G.O.No.2756 Edn., D/27-12-47 and accordingly their sclaes were fixed sanctioning the advance increment and payment made.

Subsequently the Government in their order MS: No.289 Edn., d/13-2-48 have classified such of the local bodies which have not given weightage prior to the receipt of the above Government order ~~and~~ into three groups and weightage of service was given at different dates as shown in the Government order. This Municipality falls in the second group and as such could allow weightage only from 1-10-1947 without any claim for arrears. Since weightage was allowed prior to the receipts by G.O.Ms.No. 289 Edn., d/13-2-48 ~~in the res~~ from 1-1-47 in the resolution of the Council D/ 29-1-1948 no action seems necessary to refix their salaries from 1-10-1947 and recover the amount already paid.

From the Commr. Hospet Mty. No.3782/47-A4 dated 9-5-48

Memo No. 3631B1/49-6 dated 2-12-49.

In para 2 of G.O.No.2756 Edn. dated 27-12-47, Spl. Offrs. of Dt. Bds. and Exe.Authorities of Mtys. were requested to arrange for the grant of advance increments to teachers in sec. schools and refix their pay in the revised scales w.e.f. 1-1-47 if the local bodies concerned could afford to meet the entire extra cost from their general funds without any expectation of grant from govt. and if other employees under their control have been given such weightage. The ml.cl. Hospet in its resolution No.210 dt.29-1-48 resolved to grant weightage to teachers in the municipal high schools from 1-1-47. But subsequently orders were issued in G.O.289 Edn. dated 13-2-48 authorising local bodies which had not given effect to the original orders, to refix the pay of teachers with weightage on the basis of the service upto 31-12-46 from 1-10-47 only, without any claim for arrears. As the resolution of the ml.cl. dated 29-1-48 had not been given effect to prior to the receipt of the G.O. 289 Edn. dated 13-2-1948, the matter should have again been placed before the ml.cl. for orders whether the pay may be refixed from 1-10-47 instead of from 1-1-47 as orginally resolved. Instead of doing so, preceedings were issued by the Commr. Sri R. Ganapat Rao, in C.No.3782/47-A4 dated 28-2-48 allowing advance increments from the 1-1-47. An amount of Rs.1391-8- was drawn and paid in excess to the teachers. The action of the Commr. was not therefore in order. He is now directed to explain this irregularity and send his explanation to Govt. through the Inspector of Municipal Councils & Local Boards

8/K G.O.MS. No.2756 Edn. dated 27-12-1947 stated that teachers in secondary schools should be allowed increments in the revised scale from 1-1-47 if the local body could afford and if other employees under their control were given such weightage. As there was sufficient balance in the revised estimate for 47-48 and as the office establishment including collection staff were given advanced increments from 1-1-47, the teachers in the secondary school were also recommended for the grant of increments from 1-1-47. The council sanctioned the increments in its resolution No.210 dated 29-1-48. The date of sanction by the council was taken as the date of giving effect to the Government Order and not the actual date of payment. This fact that advance increments were allowed from 1-1-47 was intimated to the Director of Public Instruction and District Educational Officer in C.No.3782/47-A4 dated 25-2-48.

By the time the other order (G.O.No.MS. 289 Edn. dated 13-2-48) was received, the council had already sanctioned weightage from 1-1-47 and it was felt that the later Government order would not be applicable to Hospet Municipality which had already given effect to the former Government Order. As such the later Government Order was not placed before the Council. When the matter was subsequently placed before the Council, in its resolution No.230 dated 21-6-49, the Council resolved as follows: "The Council confirms its original

original resolution giving effect to weightage from 1-1-47. As such I submit that there was no excess payment to the teachers.

REF: Government memos Nos. 3631-B1-49-6 Edn.dated 2-12-49 and 10-3-50.—Plsanta Plz and

I forward herewith the explanation dated 11-2-50 of Sri.R. Ganpat Rao, Ex-Municipal Commissioner Hospet with reference to Government memos cited above.

Sri.R.Ganpat Rao has explained that by the time G.O.No.289 Edn. dated 13-2-48 was received, the Municipal council Hospet had already sanctioned weightage from 1-1-47 and it was felt that the G.O.No.289 Edn.dated 13-2-48 would not be applicable to the municipality which had already given effect to the former G.O.No. 2756 Edn.dated 27-12-47. The statement of Sri.Ganpat Rao that the municipal council had given effect to the orders in G.O.2756 Edn. dated 27-12-47 prior to the receipt of G.O.No.289 Edn.dated 13-2-48 is not correct. In its resolution No.210 dated 29-1-48 the Municipal council only resolved to grant advance increments to the teachers in the Municipal High school with effect from 1-1-47. This resolution was actually given effect to by the Municipal Commissioner, Sri.Ganpat Rao in his proceedings C.No.3782-47 dated 28-2-48 subsequent to the receipt of G.O.No.289 Edn.dated 13-2-48. As such Sri.Ganpat Rao should not have given effect to the resolution of the Municipal council but should have placed the matter before the council again for orders whether the pay of the teachers may be refixed from 1-10-47 instead of from 1-1-47 as originally resolved by the Municipal council. He failed to do this and his explanation is not therefore acceptable. He has also stated that when the matter was placed before the council later, i.e.after giving effect to the resolution of the council, the Municipal council in its resolution No.230 dated 21-6-49 confirmed its original resolution No.210 dated 29-1-48.Even if he had placed the matter before the council for orders with reference to G.O.No.289 Edn. dated 13-2-48 before giving effect to the resolution of the Municipal council No.210 dated 29-1-48, and the council resolved to stuck

p.t.o.

to its original resolution, he should have reported the matter to Government and obtained their orders for giving effect to the resolution. As such his explanation that the Municipal council later confirmed its original resolution is beside the point. His action i having not placed the matter again before the council immediately on receipt of G.O.289 Edn.dated 13-2-48 and in having given effect to the resolution of the Municipal council No.210 dated 29-1-48 after the receipt of the G.O.No.289 Edn.dated 13-2-48 is irregular and action will have to be taken against him. It is in this connection pointed out that the revised scales of pay were given effect to in the case of the General and collection establishment from 1-10-47 and not from 1-1-47 as stated by Sri.Ganpat Rao.

9. GRANT OF ADVANCE INCREMENTS TO HIGH SCHOOL TEACHERS FROM 1ST JANUARY 1947 - IRREGULAR.

In paragraph 2 of G.O.No.Ms.2756 Edn., dated 27th December 1947, it was ordered that teachers in secondary schools should be granted advance increments from 1st January 1947, if the local bodies concerned could afford to meet the entire cost from their general funds. In its resolution No.210 dated 29th January 1948, the Council resolved to give effect to the above orders. But before effect was given to the above resolution, orders in No.289, Edn. dated 13th February 1948, authorising the local bodies which had not given effect to the original orders to refix the pay of the teachers with weightage on the basis of their service upto 31st December 1946 from the 1st October 1947 only without any claim for arrears, were received. This order was not placed before the Council for a clear direction in the matter but proceedings were issued by the Commissioner in C.No.3782/47-A4 dated 28th February 1948 allowing the advance increments from the 1st January 1947. The amounts were drawn and paid on Vr. 1056/3-48.

The difference in pay and allowances paid for the period January to September 47 amounging to Rs.1,391-8-0 would need recovery unless ratified by Government.

Although the mcl resolved to grant weightage to teachers in secondary schools with effect from 1-1-47 prior to the issue of G.O. no 289 Edn dt 13-2-48, yet the resolution was given effect to only after the receipt of G.O. no 289 Edn dt 13-2-48. (K) The municipal office-file is put up at (C) 2. G.O. No 2756 Edn dated 27-12-47 in which the grant of advance increments to teachers in secondary schools was first permitted was placed before the municipal council Hospet on 29-1-48 with a note that weightage may be given from 1-1-47 and it was approved by the council. The second order on the subject viz G.O. No

Utd pp 167-172 9/C

289 Edn dated 13-2-48 was received in the municipal office on 21-2-48. In the Commissioner's proceedings No 3782/47 dated 25-2-48 the proposal for refixation of pay giving weightage from 1-1-47 was approved without placing the matter again for the orders of the council with reference to the subsequent G.O. on the subject.

3 The explanation of the then Commissioner Sri R.Ganpat Rao is that as the council had resolved to give weightage from 1-1-47 it was thought that the subsequent order was not applicable to the municipal council. It was only after objection was raised in audit and the necessity to place the matter before the council was pointed out by the D.P.I. the second G.O. was placed before the council on 21-6-49 and it confirmed its original resolution to ratify the action of the commissioner. The Inspector of Mcl cls and Local Boards agrees with the view that on receipt of G.O. No 289 Edn dated 13-2-48 the matter should have been again placed before the council for orders whether the pay may be fixed from 1-10-47 instead of from 1-1-47 as originally resolved. and the commissioner's action in not having done so was irregular. L.A. has to take necessary action against the Commissioner for his default.

4 As the Examiner of L.F.Accounts has agreed to the audit objection being dropped the order already put up may now be issued with the concurrence of the L.A. Department.

Govt are not to be Submitted to the Examiner.

Proceedings of the Inspector of Ml. Cls. & Local Boards, Madras
Sri T. Prabhakara Rao Naidu, B.A.

D.Dis.28829-50 dated 18-2-51

Sub:Ganapat Rao (Sri) R. Ex-Commissioner - Hospet municipality and now Commissioner Guntakal municipality - irregularity in the grant of advance increments - awarded censure.

Read the following 1. Government memo No.19630-50-1A dated 23-5-50
2. This office proceedings Roc.28829-50-C4 dated 16-11-50
3. From Sri Ganapat Rao dated 9-1-51.

In G.O. 2756 Education dated 27-12-47, Special Officers of District Boards and Executive Authorities of municipalities were requested to arrange for the grant of advance increments to teachers in secondary schools and refix their pay in the revised scales with effect from 1-1-47, if the local bodies concerned could afford to meet the entire extra cost from their general funds without any expectation of grant from Government and if the other employees under their control have been given such weightage. The Municipal council Hospet in its Resolution No. 210 dated 29-1-48 resolved to grant weightage to teachers in the municipal high school from 1-1-47. But subsequently orders were issued in G.O.283 Education dated 13-2-48 authorising local bodies which had not given effect to the previous orders, to refix the pay of teachers with weightage on the basis of the service up to 31-12-46 from 1-10-47 only without any claim for arrears. The council's resolution No.210 dated 29-1-48 was not given effect to before the receipt of the later G.O.289 Education dated 13-2-48 and the Commissioner should have therefore placed the matter again before the council for orders whether the pay of the teachers should be refixed from 1-10-47 with reference to G.O.No.289 Education dated 13-2-48 or from 1-1-47 as already resolved by the council Instead of doing so, the Commissioner issued orders in his proceedings No.3782-47 A4 dated 25-2-48 allowing advance increments to teachers from 1-1-47. An amount of Rs 1391-8-0 of Rs 1391-8-0 was thus drawn and paid in excess to the teachers.

In this office proceedings read above the following charge was framed against the Commissioner responsible for the irregularity Sri R. Ganapat Rao, ex-Commissioner Hospet municipality and now Commissioner Guntakal municipality, and he was directed to show cause why he should not be censured.

"That he gave effect to the resolution No.210 dated 29-1-48 after the receipt of the orders of Government in G.O.295 Education dated 13-2-48 instead of placing the matter again before the council for orders whether the pay of the teachers may be refixed from 1-10-47 with reference to G.O. 289 Education dated 13-2-48 or from 1-1-47 as originally resolved by the council in its resolution No.210 dated 29-1-48 and thereby failed in the proper discharge of his duty as the Executive authority of the municipality and caused an avoidable loss of Rs 1391-8-0 to the council which was drawn and paid in excess to teachers.

In his explanation dated 9-1-51, Sri R. Ganapat Rao has stated that the instructions of Government in G.O.No.289 Education dated 13-2-48 didnot apply to the Hospet municipality in as much as the council already resolved to refix the pay of the teachers from 1-1-47. The council no doubt resolved as stated by the Commissioner, but the resolution was not given effect to till 25-2-48 while the commissioner had ample opportunity to place the matter again before the council for reconsideration, get the previous resolution modified and thus comply with the revised orders of Government. He failed to do so. The Commissioner's explanation cannot be accepted. The charge is proved.

The Inspector of municipal councils and Local Boards considers that the Commissioner deserves thepunishment proposed Sri R. Ganapat Rao, Ex-Commissioner Hospet municipality and now Commissioner Guntakal municipality is accordingly awarded a censure.
